

A photograph of four students in school uniforms (dark blazers, white shirts, and green headscarves) standing outdoors in front of a modern building with large glass windows. They are engaged in a conversation. The image is overlaid with a yellow triangle on the left, a green triangle on the top right, and a large purple triangle on the bottom left containing the school's name.

A high performing
specialist school

Mulberry

Stepney Green Maths,
Computing and Science College

Welcome to Mulberry Stepney Green Maths, Computing and Science College

At Mulberry Stepney Green we are committed to high standards and high expectations. The school is very much in the heart of the local community where every child matters.

Our parents are extremely supportive and keen for their children to achieve success. Our governors are directly involved in the school's future development and improvement, as well as being passionate about meeting the needs of our community.

**Mulberry Stepney Green
Sixth Form was the right
choice for me, I have become
self-motivated and driven.”**

Sixth Form Student

Our parents, staff and governors have high expectations of all our students. We believe in building a school where the learning environment is fit for the 21st century, where all our students are valued and known.

Chair of Governors

Outstanding spiritual, moral and cultural development is reflected in the respect and consideration the students show.”

OFSTED

A Sense of Belonging

The targeted care, guidance and support is focused on the needs of each individual. At the heart of the school is the belief that every child matters and with the right support, they will become independent, driven, confident young adults.

Ex-Former students and sixth formers become mentors to the younger students, ensuring the passion for high standards is promoted throughout the school.

“

The students' excellent attitudes to learning, their desire to be successful and the effort they put into their work all contribute to their outstanding achievement.”

OFSTED

“

Large numbers of students take advantage of the impressive number of extra-curricular activities.”

OFSTED

Aspirations

At Mulberry Stepney Green Maths, Computing and Science College, staff and students have a strong sense of pride in their achievements. We value hard work, effort, teamwork and leadership as essential qualities for success.

We expect our students to achieve the highest levels of attainment, so they can take advantage of all the opportunities a global environment offers.

Through the latest technology, innovative teaching and an extensive range of extra curricular opportunities our students realise their dreams and aspirations, whilst developing tolerance and mutual respect.

“

I like the school because we are inspired to be the best we can be in everything we do.”

Year 8 Student

Pursuit of Excellence

We have established a tradition of performing extremely well in GCSE exams and have been supported in this journey by our parents and governors.

The school has transformed into a highly effective and self-critical organisation which provides an outstanding quality of education. The high expectations of the staff and students, the consistent drive for high achievement has impacted positively on the students' learning.

The curriculum is broad and balanced, with a wealth of opportunities provided, both in school and outside, to broaden students' horizons and enrich their experiences.

Through exceptionally well targeted care, guidance and support and an outstanding curriculum, students make outstanding progress.

OFSTED

“

The extremely safe and secure environment, coupled with the students' exemplary behaviour, results in a calm, harmonious and purposeful atmosphere throughout the school.”

OFSTED

Pathways to Success

A two year Key Stage Three and a three year Key Stage Four curriculum ensures that each student follows a path based on their dreams and aspirations. Students are self-motivated to gain the highest levels of attainment underpinned by a drive to go on to some of the best universities in the country. Students are focused on becoming the best qualified individuals and so ensuring their chosen pathway is rewarded with success.

The global market demands well qualified, talented and creative individuals, a perfect description of our outstanding students.

“

I am really happy at Mulberry Stepney Green School. My teachers expect the very best from me and in return I feel valued and respected as an individual.
