

May 2023

Dear Parent,

GCSE / GCE / BTEC SUMMER EXAMS 2023

On Monday 15th May your child will be starting their GCSE / GCE / BTEC exams.

All students have received 2 timetables this year. The first one was on peach paper and stated the exam subjects that they were entered including the start time of AM or PM. The final white timetable was handed out last week and this shows student arrangements.

Attached to this letter is an information sheet that explains the rules and regulations including what is expected of the students before and during the exams.

Please read this carefully and ensure that your child abides by them.

Please speak to your child to know when their exams are taking place. ALL of the subjects that he has studied in school will have an exam that **MUST** be sat. Failure for your child **NOT** to attend any exam may incur a cost and will affect any placement and chosen subject in any 6th form, College, University and/or job in the future.

We wish your child good luck in all of their exams.

Many thanks,

Ms Specchia
Exams Manager

Ms Dodd
Exams Officer
