Dear Parents/Carers,

RE: Year 12 Half-term and Teacher's Week Intervention Programme 2025/26

I hope this letter finds you in good health.

I write to you that as part of our ongoing support for your child's academic success, we have put provisions in place during the two-week period of the upcoming half-term break and teacher's week. This is to ensure they can get the maximum level of support needed to bridge the gap and surpass their expected grades.

This programme has been designed to give your child the opportunity for extra support, revision guidance, and a chance to catchup on work missed in all their subject areas led by a subject specialist.

Interventions are 10:00am - 12:00pm and 12:30pm - 2:30pm.

Please find the timetable attached to this letter. Your child only needs to attend the interventions for their own class. Some interventions are targeted to specific groups of students, they will be informed by their teacher if this is the case.

We expect all students to attend and should go immediately to their classroom upon arrival, and exit the school building immediately after being dismissed.

The dining halls will be closed and so school lunch will not be provided, please ensure your child has provision for food/snacks. They do not need to be in school uniform.

Yours sincerely,

Mr M. Bisran
Extended Schools Coordinator
