

24.11.25

Dear Parent/Guardian,

I am writing to inform you about the Year 11 mock examinations, which will take place during the week beginning **1st of December 2025**. These mock exams provide an excellent opportunity for students to experience the level of preparation and organisation that will be required for their GCSEs. The results will also help teachers gain an accurate understanding of how each student is currently performing in relation to their GCSE target grades.

We appreciate your support in helping your child understand the importance of these examinations and the high level of commitment required to prepare for them.

Below are some ways you can support your child in preparing for the exams:

- **Plan a revision timetable** together to help them organise and manage their time effectively.
- **Display the timetable** and tick off completed revision sessions to help motivate them.
- **Support their revision** by looking through their work and verbally testing them on key topics.
- **Encourage daily revision**, ensuring your child creates helpful revision materials for different subjects—for example, mind maps, flash cards, and mnemonics.

Please continue to encourage and support your child as they prepare and revise for these examinations.

It is important to note that attendance to these examinations is of vital importance.

The exam timetable and revision notes will be available on **MS Teams**. A copy of the exam timetable will also be given to students.

Yours sincerely

Ms A. Begum

Head of Year 11

Part of the

Mulberry
Schools Trust
