Subject: Year 13 Mock Examinations

Dear Parent/Carer,

I hope you are all keeping well.

I am writing to inform you that the Year 13 mock examinations will begin in January 2026. These assessments are an important opportunity for students to consolidate their learning and prepare for the final examination later in the year.

Revision lists and the full exam timetable have been shared with students on Microsoft Teams. However, for your convenience, I have added the exam timetable to this letter.

Please encourage your child to use the revision materials provided and revise over the Christmas break so that they feel confident and well-supported going into the mock exams in January.

Please note that while the exam timetable is accurate at the time of writing, any updates or changes to location and start time will be communicated via Microsoft Teams. We therefore ask that students regularly check Teams to ensure they are aware of the most up-to-date information regarding their mock examinations.

Finally, I would like to take this opportunity to wish you and your family a restful end of term break.

Thank you for your continued support.

Yours Sincerely,

Mr K. Ahmed
Key Stage 5 Leader/Head of Year 13
